CONFIDENTIAL.

Dear Mr. Chokkanna,

I believe you are aware that certain lands near the Palace have been placed at the disposal of British Military Department for temporary use during the period of the War. You are also aware of the proposal to shift the Hebbal Camp itself to another site. It is learnt that the Military authorities have recently put up many pukka buildings on these sites. There may be some inconvenience if such large erections have to be pulled down later on. Before moving the Residency in this matter, I shall be glad if you would kindly find out and let me know what are all the buildings recently put up in these areas.

Kindly treat the matter as very urgent.

Yours sincerely,

Deputy Commissioner's Office,

Bangalore, 5th August 1918.

Dear Mr.Balasundaram Iyer,

In connection with your confidential D.O.No.C.S 233 dated 1st instant, I am writing to say that I inspected the camp this morning and find that the site marked 1 has been given over to the Southern Indian Rifle Association and No.2 has been in the possession of the Military authorities from prewar days.

Site No.3 is now given over to the Military authorities for location of temporary camps during the pendency of the war.

The enclosed sketch will give you details of the structures put up in No.3 area. The buildings are in brick and mud with Mangalore tile roofing and from their appearance do not deserve to be classed as pakka.

The men in camp all live under canvas and only kitchens, dining halls, messes, baths etc.,are located in these buildings.

I am writing to the Assistant Commanding Royal

Royal Engineers in the matter and will let you have this reply.

Yours Sincerely,

Dear Sir,

4 Hs' first

~~The Durbar~~ understand that the Military authorities have recently erected many buildings in the Hebbal camp area and especially on certain lands temporarily placed at the disposal of the Military Department. As you are aware the additional lands have been temporarily given over to the Military authorities for locating camps only during the pendency of the War, and there is also the proposal to shift the Hebbal Butts themselves to another site permanently. I am desired to ~~draw~~ invite attention to the fact that in these circumstances the new buildings will have to be demolished after the necessity for the temporary occupation ceases.

The Durbar trust that the Hon'ble the Resident will be in agreement with their views in this matter and they request that the Military authorities may kindly be communicated with.
